

Overview of the identification lengths of the Cablelock series AS-Professional

The identification length corresponds to the length of the wire cable including the pressed on limiter ferrules in the disassembled state of the Cablelock retaining system (see figures).

Dimensioning of the identification lengths of AS3, AS4 and AS5-Professional

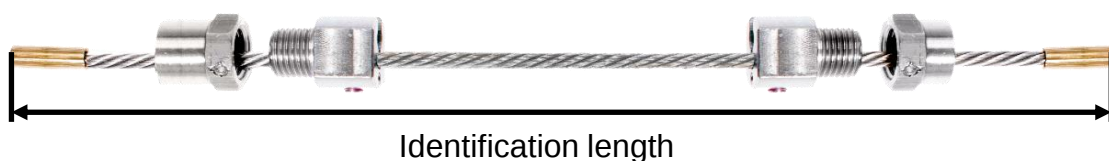

Table of the identification lengths of AS3, AS4 and AS5-Professional

AS3-Professional

Ident. No.	Ident. length
CL-AS-37A	450 mm
CL-AS-3A	450 mm
CL-AS-3B	500 mm
CL-AS-3C	550 mm

AS4-Professional

Ident. No.	Ident. length
CL-AS-47B	520 mm
CL-AS-45C	570 mm
CL-AS-4D	640 mm
CL-AS-4E	700 mm

AS5-Professional

Ident. Nr.	Ident. length
CL-AS-55D	670 mm
CL-AS-55E	730 mm
CL-AS-5F	780 mm
CL-AS-5G	840 mm
CL-AS-5H	920 mm

Dimensional tolerance for identification lengths -10mm +20mm.
